Endorsement List
Michigan Building and Construction Trades Council
for the Aug. 4, 2020 Statewide Primary

Below are candidates endorsed for the Tuesday, Aug. 4, statewide primary by the Michigan Building and Construction Trades council and its local affiliate councils. Some councils did not endorse or had limited endorsements, and some only endorse if they get a request from candidates to do so. Also, please note that in a primary election you can only vote a straight Democrat or Republican - crossover voting will spoil your ballot. Wherever you are, please take the time to vote for candidates who support the health, safety and incomes of working people.
