

# KNOW WHAT YOU ARE SIGNING YOUR SIGNATURE IS IMPORTANT!!

You should know that the petition you are being asked to sign will give politicians the ability to eliminate Michigan prevailing wage laws. This means lower pay for construction workers. **Period.**

Some circulators are lying to get signatures. **Make no mistake about it, this petition:**

- **WILL NOT** Raise the minimum wage.
- **WILL NOT** Open the door for minority contractors.
- **WILL NOT** Increase school funding ANYWHERE in the state.
- **WILL ABSOLUTELY NOT** protect prevailing wage.

The truth of this issue is exactly the opposite of what they have told some potential signers. A repeal of Michigan's prevailing wage laws will open the floodgates to allow construction jobs to go to undocumented, unskilled workers.

**By signing this petition, you are agreeing to:**

- **Lower** the wages of construction workers.
- Allow your tax dollars to be used to hire **out-of-state**, undocumented, unskilled workers take Michigan construction jobs.
- Potentially **Eliminate** safety standards and drug testing for workers on public construction projects

Don't be fooled, and don't sign these petitions. The drive is being conducted by an out of state vendor. Who knows what happens with your valuable information once you hand over your name, address and signature.
